Our Experience:

We feel truly blessed to have Lord Hanuman's divine presence in our home. The moment Swamy arrived at our doorstep, it felt as if the Lord Himself had entered our house. The entire pooja and abhishekam performed by respected Acharyaji were filled with divine vibrations. Every chant of Hanuman Chalisa created a powerful, peaceful energy that filled our home and hearts.

From welcoming the Swamy, offering naivedyam, to placing the Abhishek Hanuman idol in our pooja mandir — every step was sacred and memorable. We are deeply grateful for this opportunity and feel the blessings of Sri Rama Parivaram and Hanuman Swamy with us always.

I was thinking of Hanuman Chalisa puja in our house and one of our relative Srilatha garu informed me about this and I have immediately filled the form too .

As my father has worked in bhadrachalam and I could not go for Darshan I was feeling that I could get Darshan for me or meet him but I never he himself came to meet me in our home and we are blessed to have Sri Rama parivar at our home. Not only for performing the puja but also blessed us to art that night in our home. I was very happy for this blessed opportunity and very thank ful for Deepak garu and Srilatha garu for letting me know about this opportunity.

🙏 A Day Touched by Hanuman's Blessings 🙏

Welcoming Lord Hanuman's Utsava Murti into our home was unlike anything we've ever experienced. From the very first moment, the atmosphere shifted and there was a calm strength in the air, a feeling that Hanumanji himself had entered to bless and protect our family.

As the chants echoed and the lamps glowed, we felt an overwhelming sense of peace and courage wash over us. It was emotional, grounding, and deeply personal acting as a reminder of how faith moves quietly yet powerfully through our lives. Surrounded by loved ones, we could feel every heart in the room open in gratitude and devotion.

Our heartfelt thanks to Acharyaji, whose gentle guidance, stories, and wisdom brought every ritual to life. His presence made the day even more meaningful and reminded us that true spirituality is felt as much as it is practiced.

This experience will stay with us forever, a day when faith felt tangible, love was overflowing, and Hanumanji's blessings filled every corner of our home.

I was observing a 16-day Hanuman Deeksha, and on the very last day, my friend called and asked if I would like to have a Hanuman Pooja performed at our home. It truly felt like Lord Hanuman himself had blessed me through this divine timing.

The moment Acharyaji knocked on our door and entered with Hanumanji, it felt as though Lord Hanuman was personally entering our home. As we carried the photo of Hanumanji and the sacred flag around the house, we could feel divine energy surrounding and uplifting us.

When we went to bring Hanumanji's Utsava Murthy, the moment Acharyaji opened the curtain and blessed us with the darshan of Rama Parivaram was beyond words. So divine, so beautiful, filling us with indescribable inner joy and peace.

Acharyaji's presence, the Abhishekam, Ashtottara Puja, and Hanuman Chalisa created powerful divine vibrations in our home. And when Acharyaji recited the Hanuman Badabanala Stotram, the atmosphere turned truly surreal, a moment that will forever stay in our hearts.

We convey our heartfelt gratitude to Acharyaji for this sacred and blessed experience. Above all, we are immensely grateful to Lord Hanuman for showering his divine grace and blessings upon our family. 🙏

🙏 Jai Shri Ram 🙏

Thank you for giving us the opportunity to invite Bhakta Anjeneya to our home. We are indeed blessed to have Anjenaya swamy at our home. The moment Guruvu garu knocked at our door, I felt a sense of happiness and excitement that cannot be captured in words. As myself and my son were going around the home with Anjenaya swami picture I experienced tears of joy and was thanking the lord and my wife for taking the initiative. Lord Anjeneya's rudra abhishekam performed by guruvu garu and the chanting of hanuman chalisa has filled our home with divine resplendence.

At one point we were thinking of rescheduling/cancelling the event due to an issue but Deepak garu suggested an alternative. Thank you Deepak garu. The event happened as scheduled and happened without a glitch with Shri Ram parivaar Krupa.

Blessed is our family, blessed are our friends and their families for participating in the event, blessed is our Guruvugaru and blessed is our vanara sena who has coordinated the tour flawlessly.

🌸 A Heartfelt Thank You – A Divine Hanuman Experience 🌸

We are filled with immense gratitude for the divine experience of hosting Hanumanji's Pooja at our home. From the very moment Acharyaji arrived with Hanumanji's photo and the flag, we could sense something extraordinary. Whether it was excitement or pure joy, it sent divine shivers through me. Welcoming Hanumanji home, offering Aarti, and walking around the house with His photo and flag made us feel truly protected and blessed, as though Lord Hanuman Himself was walking with us.

The Abhishekam that Acharyaji guided us through, the Hanuman Chalisa, the Ashtottaram, and the beautiful story narrated by Acharya ji of how the Ramayanam was written by Rishi Valmiki created an atmosphere filled with divine energy, devotion, and peace. There were also small yet powerful moments that reminded us how everything happens by Hanumanji's will. Though we had planned to give Acharyaji the Prasad after the pooja, we forgot to hand it to him as he was leaving for another ceremony at 7 p.m. The next day, we learned that Acharyaji would be in London. We decided to travel a couple of hours to meet him and deliver the Prasad, planning to arrive only after the 4 p.m. pooja ended — around 6:45 p.m. But in a divine twist, the pooja had not yet started when we arrived! Acharyaji warmly invited us to sit and participate, saying, "Where are you going? The host welcomes you to join this pooja." It truly felt like Lord Hanuman Himself had written our invitation.

As I offered Hanuman Bottu (Tilak) to everyone, I noticed something remarkable — my school friend was there too! I was meeting her after 28 years. Neither of us were invited guests; both of us had been brought there by pure divine intervention.

This entire experience — from Hanumanji entering our home, to witnessing miracles, to reuniting with an old friend — was nothing short of divine grace. I feel deeply blessed and eternally grateful to Lord Hanuman and Acharyaji for allowing us to experience His presence so tangibl.

The night before the pooja, my family and I stayed awake, eagerly waiting to welcome Lord Hanuman into our home at 6:30 AM. When Swamy arrived at our doorstep, it felt as if the Lord Himself was entering our house.

I would like to share my heartfelt experience from the Hanuman Pooja held at our home. The ceremony was truly divine, immersive, and spiritually uplifting. The moment the sacred picture of Hanuman Swamy entered our home, I noticed tear drops on the picture. Initially, I wasn't sure why, but after the Pooja, when I looked again, my perception changed completely — I felt they were tears of joy and blessings from Hanuman Swamy.

Another beautiful and unforgettable moment was when a family we had never met came to our home that day. It reminded me of the stories we've always heard — how God sometimes comes in the form of strangers. I truly felt the blessings of Sita Rama that day.

I wholeheartedly thank Archakam Acharya Garu for taking such a divine initiative. I see the devotion and dedication of Ramadasu Garu in him. The experience left us feeling blessed, peaceful, and spiritually energized.
