We don't have words to express the divine experience we felt. In Telugu, we say "Ananda Baspalu" (tears of divine joy) and that's exactly what we experienced the moment we saw Sri Ram Parivaram. We felt truly fortunate and blessed to be part of this sacred pooja. Our home was filled with divine energy, immense peace, and positive vibrations throughout the ceremony and even afterwards.

Guruvugaru was so patient and performed the pooja with deep devotion, without any rush. Guruvugaru is soft-spoken, humble, and has the power to calm one's mind with just a gentle smile. We deeply admire how Guruvugaru explained each and every word, its meaning, and the significance of the stothrams, slokas, and related stories. Whenever I see Guruvugaru, I feel as though I am seeing Lord Hanuman. We were truly blessed by Guruvugaru divine presence. My friends, and neighbors who attended also felt the same - enveloped in divine energy, peace, and devotion.

Driving all the way from Atlanta and visiting each home to spread the word of God is not easy. Guruvugaru giving every devotee a sacred opportunity to receive the blessings of God divine feet. We sincerely thank Guruvugaru from the bottom of our heart for blessing all of us and giving us this precious opportunity.

Maa kutumbam andharinunchi "Padabhi vandanamulu", Guruvugariki. 🙏

A special thanks to Deepak Swamy - his dedication, patience, and kind nature are truly admirable. Deepak Swamy answers every question thoughtfully and gracefully, always with a calm spirit and willingness to help. Deepak Swamy knowledge and readiness to share it with devotees are inspiring. Deepak Swamy never says no, no matter the request, and responds to any question immediately - within seconds! Hats off to you, Deepak Swamy - we truly appreciate your spirit, coordination, and efforts. Your guidance made this entire experience smooth and spiritually enriching.

Finally, thanks to Ramani Garu for preparing us through the Zoom call and coordinating the invites with such care.

This pooja has filled our hearts and home with divine grace, peace, and eternal gratitude. 🙏

We were truly blessed to witness the Hanuman Panchamrutha Abhishekam. It felt as though Hanumanji himself had entered our home, walked around, and filled every corner with divine energy. Having the Utsava Murthi visit our house after receiving countless abhishekams in various temples and sacred rivers was an overwhelming and sacred experience—one that will remain in our hearts forever.

Guruvu garu's divine presence and the way he performed the pooja were extraordinary. His discipline, dedication, devotion, and the divine purpose behind this journey—to build the Bhadradi Temple in the USA—are truly inspiring. It is a monumental task, and we feel humbled and grateful to be even a small part of this divine mission, just like the squirrel that helped in the construction of the Ram Setu. One more profound moment for us was when Guruvu garu mentioned that Hanuman is the sound form of Rama. Meditating on that during the pooja brought immense peace, bliss, and spiritual upliftment.

We pray sincerely that the beautiful temple opens soon and becomes a beacon of devotion for generations to come.

It was a divine blessing to welcome Lord Hanuman into our home and have the sacred Hanuman Pooja performed. From the moment the pooja began, our entire house filled with a strong sense of positive energy and spiritual warmth.

Acharya Garu performed the pooja with incredible devotion, discipline, and energy. His presence and dedication made the whole experience even more uplifting 🙏. One thing that touched us greatly was the humility with which they shared information about the new temple being built. There was no pressure, no expectation — only a pure intention to give God’s blessings and allow devotees to contribute if their heart feels inclined. That genuineness made the experience even more meaningful. Even our guests expressed how devotional, peaceful, and fulfilling the event felt. They left with joy in their hearts, and we are grateful to everyone who joined us in this divine moment.

Overall, this Hanuman Pooja has brought immense positivity, blessings, and spiritual richness into our home. We feel truly blessed and humbled by this sacred experience.

This is the second time we have been blessed to invite Lord Hanuman into our home, and our hearts are filled with gratitude. In this sacred Karthika Masam, I was finally given the divine opportunity to perform Rudram, Offering Panchamrutha Abhishekam to Lord Hanuman while chanting the Rudram brought immense peace and fulfillment.

Iyagaru was truly a blessed soul—calm, humble, and deeply knowledgeable. The way he explained how the sacred name “Rama” was derived gave us divine goosebumps. His presence and wisdom made the entire day spiritually uplifting.

We offer our sincere thanks to the entire team for accepting our request once again, and heartfelt gratitude to Iyagaru, who is such a noble and inspiring person. May the blessings of Lord Hanuman, Lord Rama and Lord Shiva always remain with us.

It Was Divine Blessing for us to get slot for this pooja and to be part of this holistic journey of Lord Anjaneya Swamy for building beautiful Bhadradi Sri Rama Temple in Atlanta. When i got message about this pooja and registration, immediately we felt that its a divine opportunity and want to be part of it and did registration. We waited for 2 days for updates on the registration and were in dilemma whether we will get the slot or not. Next day, Madhavi Garu called us and blocked Nov 14th 4PM slot.

When Guruvu garu knocked the door with Anjaneya Swamy photo and entering the house, we felt that Lord Anjaneya Swamy visiting our home and walked each corner of the home and made our home divine and holistic. After Seeing Lord Sri Rama Chandra Murthy with Seethamma Thalli and Parivaram, our eyes are filled with tears and we felt very happy that Lord Sri Ram has visited our home from Bhadrachalam. All Idols are having liveliness in the faces. Two eyes are not enough to see Lord Sri Ram & Parivaram. When Lord Anjaneya Swamy Idol entered into home, the entire home was filled with positive energy and divine vibrations. Guruvu garu performed Abhishekam and Pooja in very divine way and we felt that we are doing pooja in front of Lord Anjaneya Swamy. We really felt and believed that Lord Anjaneya Swamy entered our home and blessed us with his presence. We were happy with small Anjaneya Swamy Idol was leaving at home to bless us forever.

Its a great opportunity and we are blessed to get this slot, performed the pooja without any obstacles. Without Lord Sri Ram and Hanuman blessings, we would not have this opportunity to welcome Lord SriRam & Parivaram, Lord Hanuman into our Home and perform this pooja.

Thank You Guruvugaru for performing the pooja very patiently and explaining about Lord Anjaneya Swamy powers and construction of the temple. It was very powerful message delivered and many devotees voluntarily did contributions after hearing the story. We are blessed to have the pooja through Guruvugaru. Thanks Deepak and Madhavi Garu for Well coordination and making this event at our home successful.

Our Family and all guests were so happy with the way Pooja performed and everyone said they had positive vibes while seeing the Anjaneya swamy and watching the pooja.

Thanks a lot for bringing Lord Hanuman to our home and blessing us with His divine darshan. Guruji was incredibly fast, precise, and truly extraordinary — he transformed our home into a sacred temple with his presence. There are no words to express what Guruji means to us. He is the truest devotee I have ever seen, with absolutely no expectations, only pure love and unwavering devotion towards God.

The way he performed the pooja was so divine that every one of us who witnessed it felt deeply moved and blessed. The greatest part was hosting Lord Hanuman at night, along with Guruji who has performed countless pujas across the globe. We genuinely feel blessed to have experienced such a powerful divine moment.

Even after crossing so many phases in life, to still feel this level of spiritual essence is only because of devotees like Guruji. Our heartfelt namaskaram to Guruji's sacred feet, who made it possible to host Lord Hanuman in our home and brought the blessings of Sriram Parivaar to our family.

Our Journey:

Every time we wanted to perform a puja at home, something or the other would come in the way. For a long time, we couldn't perform the Satyanarayana Swamy puja, which is very close to my heart. Though we attended it at other places, the desire to do it at our home remained unfulfilled. Eventually, with so many obstacles, I surrendered and thought: "Only when God Himself decides to come to my abode... only then things will happen." The very next day — almost like a divine answer — Deepak garu called, saying they were coming to Dallas. Sri Veera Anjaneya Swamy chose this time Himself.

🙏 yatra yatra raghunātha-kīrtanaṁ
tatra tatra kṛtamasta-kāñjalim
bāṣpa-vāri-pari-pūrṇa-locanaṁ
mārutiṁ namata rākṣasāntakam" with so many obstacles, I surrendered and It instantly reminded us of the first time this blessing came to us during Sri Ram Kalyanam in 2018.

When we checked again after three days, only three slots were left — one of them being Tuesday at 9:30 AM, just before Karthika Masam, a month so dear to us. We chose it...

Our entrance was decorated in anticipation, and the moment He arrived, the entire atmosphere transformed into pure devotion. Having welcomed Sri Rama Paduka from Ayodhya earlier, and now Sri Veera Anjaneya Swamy, felt like divine grace flowing into our home.

So many people came up to us expressing how included and uplifted they felt — that the puja brought everyone together just like the group pujas we cherish back home. It was humbling, soft, ethereal, and unforgettable.

Sri Rama Jaya Rama Jaya Jaya Rama 🙏🌟

We are deeply grateful to be a minor part @~Archakam Acharya deeksha. His guidance, dedication, and blessings brought renewed hope and light into our home. The cute little Hanuman idol adored my puja mandir..constant reminder of surrender and assurance. Lastly Badabaanala Stotram!!

Chanted by Acharyula garu, the Bada baanala Stotram carried a powerful vibration of protection and strength. His blessings upon us were deeply cherished. The chanting removed obstacles, uplifted every heart present, and filled the home with divine energy.

Our heartfelt thanks to Deepak garu and all the volunteers for their support and dedication. 🙏 This will remain a cherished blessing for our family. 🙏
